

PRODUCT COMPLIANCE

Zurn Roof Drains are constructed of high quality materials and, in general, are designed to meet the requirements of ANSI Standard A112.21.2M. For verification of a selected roof drain, contact your local Zurn Sales Representative.

**APPLICATION INDEX – ZURN HAS A DRAIN FOR ALL APPLICATIONS**

Roof drain selection should be made with a specific type of roof construction in mind. The many types and sizes of drains offered by Zurn, coupled with a wide array of available options, provide you with a roof drain for all applications.
