

FD-2201-FMT 2" x 3" Full Metal Top General Purpose Floor Drain

Recommended for foot traffic and light carts. It is constructed of a heavy walled PVC or ABS body: Each body is furnished with a brass steel threaded insert to accept a secured stainless steel strainer. Fits over a 2"[51mm] and inside a 3"[76mm] Sch. 40 DWV pipe. Perforated strainer completely covers plastic edge.
