

FD-2254 Cast Iron Shower Drain TAG

FD-2254 Cast Iron Shower Drain

Recommended in showers where a membrane is generally used. The unit has an adjustable brass strainer and head to meet finished floor elevations. The drain is furnished with a cast iron body and clamping collar. Beveled clamping device provides easier subfloor installation.

Options:

CP	Chrome Plated Strainer Assembly
cs	Stainless Steel Strainer Assembly
PB	Polished Brass Strainer Assembly

	Product	'A' Connections
